Bratells Möbler – Marketing assistent and web manager

During my education seen below I did an internship at a furniture company where I started working at after that period as marketing assistent and web manager.

2006 - 2008

Sales & marketing - college, Göteborg (education)

One-year education with focus on sales and marketing.

2005 - 2006

Hyper Island - School of new media design, Karlskrona (education)

Two-year education with focus on graphic and digital design. Second year I focused on project management (www.hyperisland.se).

2003 - 2005

IT/Data - Hulebäck (education, upper secondary school)

Specialized upper secondary school program with focus on IT and media.

"Hulebäcksgymnasiet" in Mölnlycke.

1999 - 2003

Other:**Young entrepreneurship (education)**

Competition and course in last year of upper secondary school.

The idea was to develop a business idea and to make it happen basically.

Me and one friend participated together. We won second prize in the category "best service company". The competition took place at "Svenska mässan" in Göteborg/Sweden.

2003
